BOE Meeting Update – Scheduled for March 19, 2020

March 17, 2020

District 115 will be holding our monthly public Board of Education meeting as scheduled on March 19, 2020 at 7:00 p.m. In an effort to comply with state and national requests with the size of attendance at public gatherings, District 115 will be employing the following methods for the upcoming Board of Education meeting.

First, District 115 is asking that if you would like to make a public comment on any of the items on the Thursday's agenda but not attend the meeting in person to email the following address, wssdboe31920@wssd115.org. This email is specifically set up for the March 19, 2020 meeting and the Board President and District Superintendent will have access to receive these emails. An email received prior to the meeting will be replied to notifying you of receipt, and then your email will be read and placed into the Board of Education's official minutes during public comment.

In the event, you feel strongly in attending the March 19, 2020 meeting in person, District 115 is asking that you contact the District Superintendent in advance to discuss your attendance and allow for decisions to be made regarding seating and social distancing within the meeting space. Please contact Mr. Mark Heuring, Superintendent, at 618-239-0000 ext. 3350 prior to Thursday's meeting to discuss your attendance and allow for the district to review possible seating options.

March's Board of Education meeting agenda has been adjusted to include only the items that require financial action or those pertaining to time related matters. Please understand that these requests for comment and adjustments for attendance to the upcoming meeting have been determined for the health and safety of the community and school district.

Respectfully,

Mark Heuring
Superintendent
