Updated Message - March 13, 2020 – 1:00

Dear Parents and Guardians of District 115 Students,

The administration at Whiteside School District 115 continues to closely monitor the constantly evolving situation involving the spread of the Coronavirus (Covid - 19). Due to Governor Pritzker's recommendations on Thursday, May 12, regarding crowd sizes and the CDC's suggestions on social distancing during events, District 115 will be postponing or canceling numerous events at this time through the month of March. Event's scheduled in April and May will be determined as the situation progresses. The district will also be restricting outside organizations from using either facility for evening or weekend events.

Events effected:

- Geography Fair – March 18 – Cancelled
- Boys VB Conference Tournament – March 18/19 - Cancelled
- Kindergarten Registration – March 20 - Postponed
- Grades 7 and 8 Dance – March 27 – Postponed
- Elementary School Family Reading Night – March 27 - Postponed
- Scholar Bowl/Math Team awards – March 30 – Postponed

District 115 hopes that schools can remain open and learning to continue as planned. In the event of an unscheduled closure, the school district will utilize it's all call message system to send information to parents as well as Skyward for written electronic communication regarding a multitude of different items. This information would include closures as well as education plans designed to provide a continuity of learning. Our goal is to keep students safe and provide as much support for our community.

Respectfully,

Mark Heuring
Superintendent
