

Whiteside School District 115  
Option 2 Remote/Online Selection Tool, Proof of Internet Form,  
Chromebook Rental Policy, and Permission Form

\_\_\_\_\_ ← By checking this space: I am agreeing that my student(s) \_\_\_\_\_,  
\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_,

will be selecting the remote/online option for the 9 week intervals during the 2020-2021 school year. I also understand and agree to that my student cannot return to in-person learning until the conclusion of each 9 week grading quarter.

Proof of Internet: I am attaching proof of internet for my student(s). (Proof must be submitted in the form of a bill addressed to the guardian or proof that your student(s) will have internet access where they will be staying during the academic portion of the school day.) Office use only: \_\_\_\_\_ initial if attached and approved.

The district encourages that families use their personal devices to support the remote/online option. These devices must support Google Chrome and have the ability to do video conferencing. Online/ remote students must be able to show the district that they have adequate internet access prior to being provided the ability to move to Option 2. Families able to provide proof of internet but not having a device should contact the administration to see if a device is available. **Chrome devices are limited due to the number of Chromebooks available in the District's collection.**

The Chromebook that your student is being issued (if available) is an educational tool and should be used in that capacity. Failure to comply with the Student Computer Acceptable Use Policy and these guidelines may result in loss of rental privileges.

**Rental Charge - \$10.00      Chromebook Package includes one Chromebook and one power cord**

Parents/Guardians and students have signed the Parent Authorization Form and the Acceptable Use Policy for use of district technology. However, when your student is at home working on district devices, the Internet will not be filtered as it is within the district. Parents/Guardians, please actively monitor your students while online in your home and redirect the student if he/she accesses inappropriate websites. The district is not responsible for any loss of personal information/data or identity fraud that may result from using a District 115 Chromebook.

If the Chromebook rented by your child is lost, stolen, or damaged through negligence, vandalism, or failure to follow proper care guidelines, then you are responsible for the **cost of replacement of the Chromebook. Chromebook replacement is assessed to the age of the Chromebook.** All Chromebooks are checked prior to being issued and are working properly at the time of check out.

Chromebooks must be returned to your child's school if they return to in-person learning or at the end of the school year if they are remote/online or whichever happens first.

I agree with the guidelines and procedures outlined in this form and agree to take full responsibility (including financial) for the Chromebook.

\_\_\_\_\_ I give permission for my child to rent a Chromebook remote/online learning at home.

Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_

Parent Name: \_\_\_\_\_ Relation to Student: \_\_\_\_\_

Parent Signature: \_\_\_\_\_ Date: \_\_\_\_\_
