

ILLNESSES AND SCHOOL ATTENDANCE

If your child has a fever, please keep him/her at home. Your child should also stay at home when he/she has:

- Fever
- Vomiting
- Diarrhea
- Unexplained Rash
- Continuous coughing or sneezing
- Any other contagious condition

He/she may return to school once:

- Fever free for 24 hours without medication
- Free of vomiting and/or diarrhea for 24 hours
- The type rash is known and a doctor's note releases the child to return to school.
- Any contagious condition is treated, if needed and the doctor approves return to school.
- The child feels better and is able to participate in all aspects of the school day.

Please notify the school's nurse when your child has a contagious condition such as strep throat, chickenpox, or pink eye.
