

## What's on **YOUR** plate?

## Q: How much sugar do you eat?

**A:** If you eat like most Americans, you consume over 20 teaspoons of added sugar every single day, or 115 pounds a year. That's just what we get from processed food and drinks, without ever actually dipping a spoon in the sugar bowl. Current guidelines recommend no more than 6-9 teaspoons of added sugar a day. Want the same sweetness without the side effects? Get your sugar the natural way – from fresh fruit.

### IF YOUR CHILD NEEDS SUMMER FOOD

The Summer Food Service Program (SFSP) and Seamless Summer Option (SSO) are federal nutrition programs that provide free and nutritious meals to children 18 years old and younger. The summer nutrition programs are sponsored by the United States Department of Agriculture and administered by the Illinois State Board of Education. The Illinois Hunger Coalition's Hunger Hotline (1-800-359-2163) serves as the statewide phone number for families to call to find a Summer Meals site near them.
